<<Raccoon>> Woah! You genius it totally does!

<<Raccoon>> I mean, when I was there, I was boss of the candy ring, if you know what I mean and had a lot of fun stealing the food of the guards, but... You see what I'm getting at?

<<Raccoon>> Anyway, I had to change location and am searching for a new established clientele. You need some light in this dark place?

<<Self>> [[I have no idea what you're talking about. Are you trying to sell me drugs at my workplace?|wtf]]

<<Self>> [[Absolutely. I could use some fun here.|fun]]

<<Self>> [[What drugs do you have?|drugs]]

<<Raccoon>> Drugs? No! What makes you think that? I meant second hand food.

<<Raccoon>> You are paranoid my friend! My aunt had the same problem and now she lives in the petting zoo. With a goat!

<<Raccoon>> Stay clean my friend and stay away from petting hands!

<<Raccoon>> That's what I wanted to hear! Alright:

<<Raccoon>> I have bird, cat and dog food. I even licked off the saliva.

<<Raccoon>> Also a half eaten sandwich with tuna and a cup of melted ice cream. I'm telling you, as good as new!

<<Raccoon>> I know there is this sign on the door to not eat in here, so meet me at Furry Park at midnight. See ya!

<<Raccoon>> Ah, swimming! I totally need to bath again! Don't you love the feeling, when the water cools your sticky fur?

<<Raccoon>> And when you can wash your food, until it's all squishy. Don't you love that?

<<Raccoon>> It works best with cat food! If you ever crave it, let me know but don't tell the cats.

<<Raccoon>> Hmm, now I am getting hungry. Don't you? Want to buy some food?

<<Self>> [[Uh, sure, what do you have?|fun]]

<<Self>> [[Urgh... No, sorry. Have a nice day.|no]]

<<Raccoon>> I told my cousin not to get food out of the dumpster near the cleaning products factory.

<<Self>> [[Don't worry, you are at a bank.|help]]

<<self>> [[No, sorry, this is the money donation place. Thank you for your contribution!|lie]]

<<Raccoon>> Haha, what? Are you choking on a gloomy philosopher?

<<Raccoon>> Are you hungry? You gotta eat when you got that in your head! My sister tried to eat me once in her sleep. Not funny.

<<Raccoon>> I am searching for a new established clientele. You need some light in this dark place?

<<Self>> [[Sure, what do you sell?|fun]]

<<Self>> [[Sorry, I just hate my job. But have a nice day.|job]]

<<Raccoon>> Oh, friend that doesn't sound good. You have my deepest sympathy!

<<Raccoon>> But let me give you a hint, if you ever get into the second hand food business, meet me at Furry Park. At Midnight. But you don't look like someone who changes their habits.

<<Raccoon>> Haha, humans. Have a nice day!
